## PROFESSIONAL HIGHLIGHTS

Kevin has organized a multimedia training development company (eTRAIN ONLINE, Inc.) to create quality state- and country-specific training tools.

He served as Training Director for the Montana Water Center, one of eight EPA-funded "Technical Assistance Centers" for small public drinking water systems from 1997-2006. Listed below are some of the many successful projects completed to date. These (and more) are available online for viewing here: <http://water.montana.edu/training>.

You may call the project contacts listed below for references as needed.
